

I am Mr. Samson Nikalje, Chairman of Daya Sagar Social and educational trust. In 2005, I had a burning desire in my heart to do some charitable activity for the needy section of the society. So I began my work on individual level and later established the above mentioned trust for the same. At start the funding was from my own earning which was very low. Later on Dr. Anirudh Dharmadhikari guided us to start

a old age home and also helped the trust financially. Due to his help the old age home is now providing help to many senior citizens in need. Moreover many political, social and government dignitaries visited the trust and guided and helped us in our endeavour. I humbly pray to Almighty God to help us in our small effort to help the needy.
